CO's Spring Update

2009 Summer of Fun

It's been a long cold winter, but hope is in the horizon for warm weather.

We'd like to thank everyone who came out in the cold miserable winter weather to visit us at CO.

There are a lot of improvements happening at CO that will make CO an even better place to visit by land or water.

Right now CO is in the process of putting in new piers, boat ramp and doing some uplifts to brighten up the place for our customers.

CO has also put in a new Rainbow play area for kids 12 and under to enjoy while

they are visiting CO with their family. To this date, the new play set is a tremendous hit with the kids.

This 2009 Season we will have familiar faces back working at CO and also some new, bright cheery faces as well. Please be patient with the new staff as we try hard to train them and introduce them to all our customers, but it will take some time for the new staff to get acquainted with everything and everyone at CO.

In this Spring update you will find out upcoming events, bands, etc. that will be happening this Summer season at CO.

**GUESS WHO
IS COMING BACK!!!**
For everyone that has been around CO for awhile, you might remember one of our great bartenders that moved out of state—Suzi Q
Yes Q is coming back and will be arriving in Mid April!
