

CO's Fall Update

Summer Re-Cap

Despite the weather and economy, we hope everyone enjoyed the summer. We would like to thank everyone for your patronage to Captain's Quarters.

We also hope you have enjoyed the much needed improvements made at Captain's Quarters; watch for more improvements to come for the 2010 season. A couple of improvements scheduled to be completed are Remodeled bathrooms and a new boat ramp.

The 4th of July Fireworks Fundraiser held at Captain's Quarters was a great success, Noreen and her crew and Captain's Quarters did a great job raising money to help pay for the 4th of July fireworks display.

The fundraiser we held for Holly's Hope (help finding a cure for Freidrich's Atazia) was another great success.

Rob Franz and his crew and Captain's Quarters were able to raise approximately \$5K to put towards helping find a cure.

This Fall and Next Spring & Summer Captain's will be holding a Classic Car Night on Thursday nights from 6pm-7

If you have a classic car you would like to show off, bring it by on Thursday Nights!

Our Build Your Own Bathing-Suit Contest this season was a BLAST and I am sure it was a tough decision for the judges to pick winners. The strong man competition was fun and a great addition to the Event. Thank you to all the staff who helped in making this event run so smoothly. We plan on making next years event even Bigger and Better!!!!
